

# British Science Week

## 12th - 14th March 2019

### Information for Helpers

Thank you for offering to help during Science Week this week. The following information is useful for helpers from Aber Robotics Club, CompSci, Physics and Maths.

## Setup

Setup will commence Monday afternoon 11th March at 12:10. We will be meeting in the Physics part 1 lab (MP 1.00), to collect the exhibits and move everything via trailer to the sports cage. We will need to be finished by 17:30.

## Take-down

Taking down the exhibits commences on Thursday 15:00 at the sports cage. We will be moving everything back to the Physical Sciences building via trailer/van.

## Times

Day	Day Time	Evening
Tuesday	8:30 - 16:00	
Wednesday	8:30 - 15:00	16:00 - 18:30
Thursday	8:30 - 15:00	15:00 - 18:00

## Timesheet

You can access the timesheet of helpers at the Doodle poll <https://doodle.com/poll/he8uu7p9xgxg7eyp>

## Information from CWPSI

### Refreshments

“We will provide (free) DIY tea / coffee etc on the Balcony (at the Counter area); please BRING A MUG/ beaker if possible to save on wasteful paper cups – we only have a few for teachers etc. Ask a CWPSI team member if supplies run out or you need particular items. Try and refill the kettles as you go, so the next person doesn’t have a long wait. Please try and keep the area tidy / clean and take care – HOT drinks and SMALL people do not mix well!” - CWPSI

### Lunch and Water

“For those on stands all day – or working over the lunchtime – we will provide an honour system for food as in previous years. Please respect this: we can only continue to provide this if you are fair and have one of each item. We have based the numbers on the info on your forms. Lunch will be out from approx. 12 in the

changing room on the Balcony. There will be crisps, fruit, a sweet item and a (labelled) bread roll. We will NOT BE PROVIDING WATER BOTTLES at lunchtime - use your own water bottle or mug (for the sake of the planet!).” - CWPSI

## Yellow Tent

“We use this for lost small people – or those who need a quiet space. SO if there are lost children please send them there / accompany them and alert a CWPSI team member. If you see rowdy older children using it to chill can you help monitor and ask them to ‘move on’. ” - CWPSI
